Grade 8 Summer Reading

**Directions:**

-Each time you read three chapters, you should summarize 2 major events or key aspects of the chapters. This should be written by hand.

- Whatever the biggest events are in the three chapters should be summarized! In other words, some chapters do not need to be mentioned.

-A summary only has to be one sentence in length, but it should be detailed and accurate. An example is completed for Chapters 1-3 below.

**Chapters 1-3**

-The first few chapters explain the setting which is a world set in the future where there is overpopulation and everyone spends time in virtual reality.

-The virtual reality world is called the OASIS and the creator, James Halladay, has created a game with a major prize.
